Connections Book Publishing Ltd, 2009. Soft cover. Condition: New. New & dispatched within 1 working day _____ What sets us apart from other forms of life is the ability to think of ourselves and for ourselves. So, although there is no doubt that we think, the real question is: how many of us know how to think to our full potential? Answer: not many! But now we have the "How to Think" puzzle book series. If you want to boost your brain's performance, and learn how to think clearly and effectively in any given situation, read these books, and tackle these puzzles. "50 Puzzles For Quick Thinking", are you good in a crisis? Responding well to unexpected developments is a skill we can all learn. Like a friend in need, this simple-to-use guide can help you out of a tight spot. It provides tips on how to stay calm under pressure and how to manage competing demands on your time. After explaining how a typical brain works under pressure, the book demonstrates simple techniques for helping yourself to cope in a crisis. It gives practical guidance on how to find creative but workable solutions to seemingly insoluble problems and how to plot your way back to calm waters by working out a series of small, achievable goals.
