BOUND TO THEIR QUEEN: A PARANORMAL MENAGE (PAPERBACK)**DOWNLOAD**

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Menage Romance Isn t it strange the way life works out sometimes? Well, most of the time, really. Take me, for instance. All my life, not in a million years did I think anyone could love me the way I was longing for, much less that two men could actually fight over me. I d always had a lot of doubts about myself, but many of those were dissolved when I met Justin, a guy from an online dating site, and quite possibly the man of my dreams. The two of us had shared a night of passion at his apartment, and I was just getting ready to go to work for the day when I had an unexpected encounter with a mysterious stranger, and he told me something shocking- He told me that Justin was a werewolf, and that he was as well. Now the two of them are battling it out for my hand, engaging in a dogfight to the death over me, and my only hope to keep from them from killing one another is to suggest the devilish idea I have- A queen can have more than one royal subject, can t she? This is a stand-alone Contemporary New Adult Romance novel. No Cliffhanger. Content suitable for mature readers, contains sexual content and harsh language.
