The reader is taken through the nitty-gritty process of conceiving, outlining, constructing, and writing a screenplay in the professional format, with clear and concise examples offered for every step in writing a short dramatic film. Writing in Pictures offers straight talk, no mumbo-jumbo or gimmicks, just a methodical, step-by-step process that walks the reader through the different stages of writing a screenplay -- from idea to outline to character biography to treatment to step outline to finished screenplay. Using well-known films and screenplays, both contemporary and classic, to illustrate its lessons, Writing in Pictures also offers comments from famous screenwriters past and present and insightful stories (often colorful and funny) that illuminate aspects of the craft. 384 pp. Englisch.
