Divinations (Paperback)

By Daniel M Jr Bell

CASCADE BOOKS, 2017. Paperback. Condition: New. Language: English . Brand New Book. As modernity gives way to postmodernity, we are witnessing the emergence of a post-political age. Concepts and realities that anchored modern politics--like nation-states, community, freedom, and law--find themselves under duress from a pluriform terror. Simultaneously, we are witnessing a turn to religion by continental philosophers who seek resources for re-visioning a politics of resistance to this terror. This work engages postmodern philosophers such as Agamben, Badiou, Derrida, Deleuze, Hardt, Negri, and Zizek, seeking to divine both the promise and peril of this pagan plundering of Christianity on the way to articulating a Christian theopolitical vision that holds out the hope of resisting the terror that looms over us. Writing with remarkable clarity, Bell develops a critical account of democracy by engaging Derrida, Deleuze, Zizek, Badiou, and Agamben. This is no small accomplishment. At least as important is Bell's constructive theological proposal for helping Christians regain hope for the future. --Stanley Hauerwas, Gilbert T.
