Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Genealogy of the Allen and Witter Families: Among the Early Settlers of This Continent and Their Descendants Genealogies as well as all other important events in ancient times, were handed down from generation to generation, by tradition, as we see, in the Prophet Joel i. 2, 3. Job xv. 18. Ps. lxxviii. 5, 9. The first written records were made on parchments, but the more common practice in modern times is to write them on blank leaves of the Family Bible, or on Grave Stones. Many of the family records have become obliterated or otherwise lost, and the fact is too evident that many of the present generation had much rather count their dollars and acres, than their ancestors. Genealogy is a science requiring patient, persevering study, in which the student will make but slow progress unless he gives his mind to his work. This Genealogy is compiled by Asa W. Allen, of the Allen and Witter families, (among the early settlers on this continent,) of his own lineage, and of others of his name and their descendents. Our coat of arms, - Unyielding Perseverance. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve...
