

Orison for a Curlew

By -

Little Toller Books. Hardback. Book Condition: new. BRAND NEW, Orison for a Curlew, The Slender-billed curlew is one of the world's rarest birds. A beautiful, fragile creature, it breeds in Siberia and winters in the Mediterranean basin, passing through the wetlands and estuaries of Italy, Greece, the Balkans and central Asia twice a year. The only certainty of its story is that it now stands at the brink of extinction. Birds are key environmental indicators - their health or hardship has a message for us about the planet, and our future. Following the bird's migratory path takes the award-winning writer Horatio Clare on an odyssey through a fractured Europe, to the edges of the land, and into the lives of the men and women who have fought to save and preserve the worlds to which the bird belonged. We travel with soldiers, beggars, students and green superheroes, including the father of ornithology in Greece, an extinction myth-buster in Romania, a Hungarian who invented the Danube delta biosphere...
