

Fully Autonomous Vehicles

By Michael Nikowitz

Epubli Sep 2015, 2015. Taschenbuch. Condition: Neu. Neuware - Michael Nikowitz was born in Vienna (Austria), in 1986. From an early age, he was interested in the field of technique. After he finished secondary technical school with a focus on mechatronics, he graduated from the University of Applied Sciences (Technikum Wien) in 2011, with a Master of Science in Engineering in the field of Mechatronics & Robotics. After working in the field of industrial robots, he changed his fields of interest to technical optical systems. After several years of working as a laser engineer in the field of laser systems, he finally moved to the field of advanced propulsion systems and automated vehicles. Currently he is working as coordinator for automated vehicles at the Austrian Federal Ministry for Transport, Innovation and Technology. 136 pp. Englisch.
