GENDER AND ISLAM IN INDONESIAN CINEMA

DOWNLOAD PDF

Springer-Verlag Gmbh Jan 2017, 2017. Buch. Condition: Neu. Neuware - This book presents a historical overview of the Indonesian film industry, the relationship between censorship and representation, and the rise of Islamic popular culture. It considers scholarship on gender in Indonesian cinema through the lens of power relations. With key themes such as nationalism, women's rights, polygamy, and terrorism which have preoccupied local filmmakers for decades, Indonesia cinema resonates with the socio-political changes and upheavals in Indonesia's modern history and projects images of the nation through the debates on gender and Islam. The text also sheds light on broader debates and questions about contemporary Islam and gender construction in contemporary Indonesia. Offering cutting edge accounts of the production of Islamic cinema, this new book considers gendered dimensions of Islamic media creation which further enrich the representations of the 'religious' and the 'Islamic' in the everyday lives of Muslims in South East Asia. 207 pp. Englisch.
