Reviews

The best book i actually read through. I have got read and so i am sure that i am going to going to read through yet again yet again down the road. You can expect to like the way the author compose this pdf.
(Ludie Willms)

ORGANIZING THE DISORGANIZED CHILD: SIMPLE STRATEGIES TO SUCCEED IN SCHOOL

Harper Paperbacks. Paperback. Book Condition: New. Paperback. 176 pages. Dimensions: 8.2in. x 5.4in. x 0.6in. You can imagine what my child's room looked like: clothes on the floor, dresser drawers open with clothes half hanging out of them, and toys spread all over the floor. Jill is given an assignment on Monday that is due on Friday. The problem is that despite repeated nagging, she won't start it until Thursday night. *Organizing the Disorganized Child* finally answers the parent's question, How can I help my child get organized without waging a battle? This essential toolkit for parents and educators factors organizational styles into the equation, and offers effective strategies that deliver amazing long-term results. Renowned ADHD expert Dr. Martin Kutscher and coach Marcella Moran explain the roots of our children's organizational problems, and the parent's role in fixing them. They outline different organizational styles used by different students. (Not all kids organize the same way!) Kutscher and Moran outline exactly what school materials to buy, and how to set up the study area. They provide a step-by-step plan for an organizational system including: o Refining morning and nighttime routines o Getting the correct work home o Planning the work, and getting it back to where it belongs o Tips for reading and note taking o Study and test taking skills o Learning how to ask the right questions *Organizing the Disorganized Child* is an essential toolkit that belongs on every parent's shelf. *Early Praise for Organizing the Disorganized Child* A superb book! Blessedly brief, pointedly practical, and clear as glass, this book will help any child, parent, or teacher who reads it. Step by step, the authors, who truly know their subject, lead the reader through a method that can't help but succeed. This book meets an urgent need. I will...
