Galen Garwood, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Dream Sea Photographs by Galen Garwood are a series of twenty photographs that reveal the power and mythic nature of the sea, out of which the fires of our supra-consciousness rise in the winds of our dreaming, a symbolic transformation from the self to the universe of unknowns. As poet William O Daly writes: Galen Garwood s works are meditations and explorations that attain harmonic balance and truth in motion, infused with an astonishing awareness of color and the perpetual energy generated by dark and light. Life within these evocative works emanates from a fleeting, ceaseless center, and their vulnerability and compassion, their fearlessness and wisdom, reside within us.
