James J. Stewart, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sometimes a Christian has a hunger to pray but does not know where to begin. This book can help. Each page contains a statement reflecting the Christian faith in some way. On each page is a starting point, from which the reader s prayers and meditations can begin. Christian prayers can be formal or casual. They can express a hunger within for help beyond the one praying. They can be simply a desire to connect with greater knowledge, increased power, or larger perspective. Prayer can also be unique for the individual. You may be at the beginning of your spiritual journey, a spectator who has seen others have an effective prayer life, and you want some of what you have observed in others. You may be a seeker, further along in your faith, and seeking a better, more satisfying prayer life. If you re a student and follower of Jesus, and you have Him in your heart, these seed thoughts may provide fuel for the spiritual fire burning within you. If you have the mature faith of a kingdom-builder, these seed thoughts may kick-start your day.
