Volume Two in the short story series, Trinity of Tales. The series takes three short stories, and brings them together in a collaboration book. *Steelheart*; follows a unit of resistance fighters in a post apocalyptic Earth, as they fight against a terrorist organisation that mass produce fighting machines. *Gabriel's Assassin*; follows a mobster, who attempts to leave his servitude after finding love. Though he suddenly realises that the mafia is something that stays with you for life. *Angels of Liberty*; is a story inspired by the outrageous world of anime. The story takes all folklore of angels and demons and turns it on its head. When the demons launch an all out assault on Earth, the angels plot their counterattack to defend the human race from their starship, the Olympia.
