

C.S. Lewis and a Problem of Evil: an Investigation of a Pervasive Theme (Paperback)

By Jerry Root

Wipf Stock Publishers, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description: C. S. Lewis was concerned about an aspect of the problem of evil he called subjectivism: the tendency of one's perspective to move towards self-referentialism and utilitarianism. In C. S. Lewis and a Problem of Evil, Jerry Root provides a holistic reading of Lewis by walking the reader through all of Lewis's published work as he argues Lewis's case against subjectivism. Lewis's warnings are prophetic; this book is not merely an exposition of Lewis, it is also a timely investigation into the problem of evil.
