Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

FIRST DESCENT (HARDBACK)

Tundra Books, Canada, 2011. Hardback. Condition: New. Language: English . Brand New Book. Montana-born Rex loves nothing more than to take his kayak out on a river, the faster and more powerful the better. When he gets the opportunity to tackle the well-named El Furioso in southwest Colombia, he is thrilled. He anticipates the river s challenges, but finds himself in a situation where the real danger is human. In Colombia, he meets Myriam Calambas, an indigena, who has lived along the El Furioso all her life. Though she loves its rushing waters, she dreams of leaving to get an education so that she can help her people. Her dreams, and her very survival, are in the balance when she and Rex are caught up in the clash between paramilitaries, working for rich landowners, and guerillas, who are supposed to be protecting the poor. Pam Withers skill at writing about extreme adventures combines with a compelling story about an endangered world and a people struggling for their very right to exist.
