In This Issue With the old farmhouse falling apart, it seems like the only thing that'll help the girls save up for repairs is finding a new roommate. But, who in their right mind is going to move in with the town weirdos? What's Pumpkin Spiced? Pumpkin Spiced is a flavor that's the very essence of fall. It's embraced by the goths, geeks, and Halloween queens in October, blending into the sea of skeletons and jack-o-lanterns. No one gives it a second glance. However, once the seasons change it stands out like a sore thumb. People look at it and think, You don't belong here. The characters in this story are Pumpkin Spiced themselves. Infusing everything they do with just a touch of October flair regardless of the season. Dedicated to anyone who's ever felt just a little bit different. This item ships from La Vergne, TN. Paperback.
