

Esbats Lesson: Eclectic Witchcraft Course

Filesize: 1.67 MB

Reviews

Most of these ebook is the perfect publication accessible. It is written in easy terms and not difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This OWL is dedicated to the Esbat, the gathering of Witches traditionally associated with lunar magic. Laurelei and Natalie discuss the history and background of the Esbat, lunar lore and magic, astrological influences on the Moon, non-lunar Esbats, and offer several Esbat rituals for your use. Asteria Books is proud to offer what will be an extensive digital and print library of curriculum guides for students of the Craft and occult airts. We understand that novice practitioners are yearning for material in comprehensible portions over a potentially wide range of topics, which is precisely what we provide. As an OWLS reader, you can choose from lesson titles in any course to create a comprehensive Book of Shadows or Grimoire. Furthermore, each OWL book comes with its own 10-question quiz and answer-key, allowing you to check your knowledge when you finish. OWLS are a great way to build a reference library, begin (or end) a Book of Shadows, or plan a Craft 101 class for your coven.
