

## Awakening to Abundance: How Life Works to Force Your Spiritual Growth and Help You Find Yourself (Paperback)

Filesize: 6.85 MB

### **Reviews**

*This book is so gripping and fascinating. Of course, it is actually perform, still an interesting and amazing literature. You will not feel monotony at anytime of your respective time (that's what catalogs are for about in the event you request me). (Prof. Ophelia Wiegand I)*

## **AWAKENING TO ABUNDANCE: HOW LIFE WORKS TO FORCE YOUR SPIRITUAL GROWTH AND HELP YOU FIND YOURSELF (PAPERBACK)**

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Life on earth is full of contradictions, differences and contrasts that complement themselves in order to provide a greater understanding about the meaning of our spiritual existence. Very few people are capable of analyzing these facts from different perspectives and combine the reasons that allow perceiving God's plan, making it possible to manifest a more abundant life. Indeed, existence has a purpose as a whole and our personal life interacts within this dynamic in order to lead our soul to its ascension. Whoever said that heaven is just a door outside death didn't disclose the complete truth and lack of such awareness is what forces many to reincarnate several times and repeat the same mistakes despite their faith or religious practices. In this book, you will have a chance to understand the rules that govern our planet and how to apply them in life, not only to fulfill God's intentions, but also so that you may prosper and be in good health, just as your soul prospers (John 1:2, in the Bible). A thoughtful explanation is here provided to allow meditating on why humans live on earth and why this is a prison planet, what is the relation between God and the rich, how can a person become wealthier while also growing spiritually and which laws must be noticed, kept and applied to live abundantly with our real identity.
