It introduces and explains all the craft terms, techniques, materials, tools and equipment needed. It features over 200 photographs, including all the different stages and beautiful finished pictures to inspire and delight. It is an ideal starter book for ages 3 to 7 years, for older readers to use with minimum supervision, and for younger children to enjoy with adult help. Making things yourself is both enjoyable and really rewarding. It takes time and you have to concentrate to understand how things are put together, but all the hard work is worth it. Once you have painted a flowerpot or made your own papier-mache maracas, the finished product has some of your own special magic in it! You will feel so proud, and everyone will want to admire your work. Crafty things to create include a model canal boat made using recycled materials, a lively dinosaur sock puppet and a fantastic magnetic fishing game.
