

Perfect On Paper: The (Mis)Adventures of Waverly Bryson (Paperback)

By Maria Murnane

Amazon Publishing, United States, 2010. Paperback. Condition: New. Reissue. Language: English . Brand New Book. Meet the new Bridget Jones. --PopSugar Daily A light and funny read. If you've ever felt like your life wasn't going the way you'd planned, then you can't help but connect with Waverly's tale. --Becky Lejeune for Anything Can look perfect on paper. When her fiancé calls off their wedding at the last minute, Waverly Bryson wonders if her life will ever turn out the way she thought it would or should. Her high-powered job in sports PR? Not so perfect. Her relationship with her dad? Far from it. Her perfect marriage? Enough said. To keep sane, Waverly makes a habit of jotting down Honey Notes, her own brand of self-deprecating wisdom and a pipe dream for a line of greeting cards. As Waverly stumbles back into the dating scene (no stalkers or jean shorts, please), her personal and professional lives threaten to collide. Perfect on Paper reminds us that everyone has a bad date (or twelve), and that everyone eventually needs a best friend to tell them, Honey, you are not alone.
