

The Consciousness Plague (Phil DAmato series) (Volume 2)

Filesize: 6.06 MB

Reviews

Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE CONSCIOUSNESS PLAGUE (PHIL DAMATO SERIES) (VOLUME 2)

[DOWNLOAD](#)

Connected Editions, Incorporated. Paperback. Condition: New. 254 pages. Dimensions: 10.0in. x 8.0in. x 0.6in. Dr. Phil D Amato returns from The Silk Code, winner of the Locus Award for Best First Science Fiction Novel of 1999, with another blend of biological science fiction and hard-boiled police-procedural mystery. Memory itself is the suspect in The Consciousness Plague - more particularly, loss of memory, in slivers of time deducted from a growing number of individuals, which plays havoc with everything from the investigation of serial stranglings to candlelight dinners. Damato, NYPD forensic detective, investigates a spate of unusual cases and finds evidence of a bacteria-like organism that has lived in our brains since our origin as a species and may be responsible for our very consciousness. A new antibiotic crosses the blood-brain barrier and inadvertently kills this essential bug. Phil himself falls victim to this memory hole, and must struggle to get the proper authorities to pay attention before everyone loses so much memory that they forget that they forgot in the first place. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
