

Werewolves

By Linda S. Godfrey, Rosemary Ellen Guiley

Facts On File Inc. Paperback. Book Condition: new. BRAND NEW, Werewolves, Linda S. Godfrey, Rosemary Ellen Guiley, This is a captivating look at the mystery of werewolves. Are werewolves real? When the moon is full, do ordinary people under a supernatural curse transform into snarling creatures charging out of the fog, only to revert to human form? Throughout history, people have claimed to have seen weird beings that are part human and part wolf, dog, fox, or even cat. Modern-day eyewitnesses across the United States report strange encounters with dogmen and wolf-like creatures. And while theories abound to explain the stories, the only certain thing is that popular interest in the mystery of werewolves remains strong. "Werewolves" examines the lore and legends of lycanthropy throughout history and from around the world, describing the many types of werewolves and case studies, and offering readers information they need to conduct their own field investigation. The chapters include: The Mystery of Werewolf History; Will the Real Werewolf Please Stand Up? Did You See What I Saw? Hoax and Illusion; Celebrity Were-Mania: Howling with the Stars; and Your Field Guide to Werewolves.
