Pride Company, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If you wanted to, how would you kill your lover? Freshly sacked from his professorship, Reuben could do without a month-long holiday on his boyfriend's private island. But he may as well enjoy the perks while they last. As soon as details of his dismissal surface, he's sure to wind up alone with his murder mystery fixation. Born with a silver spoon firmly between his teeth, Leif Claeson is no stranger to loss. He and twin sister Petra could lose their father's creaking multinational at any moment, unless they fulfil his last wishes to the letter. Then again, Leif has always been something of a wild card. He'd rather vacation with his lover than worry about the future. When a stranger crashes their holiday, Leif sees only the potential for blissful debauchery. Ruben disagrees. Power and sex make for a potent cocktail and everyone in Leif's inner circle has a stake in what becomes of this Hellenic paradise. As Leif and Reuben struggle to reconcile their feelings with the strange happenings on the island, a chain of events is set in motion that could endanger their very lives.
