Abby and her group rush the wild beasts in their care to the Hive for protection, saving a few desperate souls as they go. City by city the world is destroyed in a nuclear war as the terrified survivors struggle to adjust to the new pecking order in the Hive and the revelations of their own origins. No longer the dominant species on Earth, they must learn to put the lives of all creatures before their own if they are to have any chance of survival. Lorna Calloway and her two grandchildren face the complete breakdown of civilization. On their frantic journey to find the Hive, they meet a man whose Good Samaritan facade soon slips to reveal an apex predator. Can Lorna protect her young charges from Seths sadistic nature And can the survivors adjust to their new reality Hive is the fourth book in the Alien Species Intervention 6609, Alien Species Intervention 6609,...
