Excerpt: . . . 11 The Early Assessment Program identifies students before their senior year - that is, students in the 11th grade - who need to do additional work in English and mathematics prior to entering the California State University. That is, they need to demonstrate the requisite skills expected of a graduating high school senior. More importantly, it provides an opportunity for students in high school to use their 12th grade year very effectively to master the requisite English and math skills expected again of a graduating high school senior, not only going in the workforce but entering the California State University. We have attached to our testimony a copy of a presentation which we would ask be included as part of the record. While this program is voluntary, nearly 200, 000 students Statewide have taken this. It is voluntary on the part the students in 11th grade. Nearly 70 percent of the students will take it in math and about 15 percent will take it in English, and they are using the senior year most effectively to try to increase those skills that they enter school without the need for remediation. Another important academic outreach program is our Steps to College poster. Members have been provided a copy of the poster, but it provides to information about academic preparation and fi-nancial aid beginning in 6th grade through 12th grade. For the next wave of California students, many of whom are the first in their families to go to college, information and planning is absolutely critical. To reach out to under-served communities and students, the California State...
