

Smiling Again (Paperback)

Filesize: 6.13 MB

Reviews

Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).

(Mabelle Dach III)

Morgan James Publishing llc, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When I woke up. . .I quickly became aware that gliding through brain surgery recovery was not the big plan. Pain, paralysis, and single-sided deafness loomed ahead. Sally Stap was in the midst of a busy and successful 25-year career in Information Technology, juggling the usual concerns about job, daughters, and life, when the unthinkable happened: she was diagnosed with an acoustic neuroma, a benign but large brain tumor. Written with a poignant blend of honesty, dry humor, faith, and inquisitiveness, Smiling Again is a story of the persistence of life and beauty in spite of pain. Sally recounts the shock of diagnosis, a long and painful recovery from invasive brain surgery, her eventual retirement due to disability, and ultimately contentment and acceptance of a new life journey. For caregivers and survivors, Sally shares practical lessons and tips that will help you find your own signposts of faith along a treacherous but ultimately exhilarating journey, including: - Be optimistic, but don't discount possible outcomes just because they don't sound fun. - Allow yourself to grieve because there is a new you. - A sense of humor will give you a better temperament than frustration. Whether you are a brain tumor survivor or are facing another experience that has brought you to the end of yourself, Sally's experience shows that even when the worst happens, God is present and visible in sometimes unexpected ways. The future you may not be the same as the old you, but it can lead you in new and rewarding directions.
