Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Elementary Lessons in Heat These lessons have been prepared to meet the necessities of a very short course of study at the Military Academy in this branch of physics, a course so short that it can command for study and recitation only about seventy hours from the cadets. In selecting the material, I have been guided by the consideration of what is applicable to the subsequent courses of study at the Academy and also of what is essential and most useful for the student to know. In the arrangement I have kept in view facility of acquirement and thorough understanding, and, accordingly, the logical connection of the facts and principles set forth.
