

## To My Child: My Thoughts, Ideas, Inspirations, Songs (Paperback)

By Patricia Renard Scholes

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. As we travel through life, here are some things I wish I had told you, but the time never was quite right. Now it seems no time is exactly right to tell you what is on my heart. More than anything else, I want you to know you are so very loved, even when I was unable to show you. But maybe you already knew that. These pages, full of thoughts, ideas, inspirations, songs, whatever I found, invented, or wrote myself, are for you, because it's long past time that I shared my heart with you. So I have begun a diary of thoughts. The dates may or may not be special, and they might not even be the day these thoughts came to my mind, but the date is when I chose to write them down.
