

Vaastu Shaastra: An Ancient Technological Treatise

Filesize: 5.86 MB

Reviews

It is one of the best publications. It is definitely simplistic but exciting in 50% of the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest PDF for ever.

VAASTU SHAASTRA: AN ANCIENT TECHNOLOGICAL TREATISE

To get **Vaastu Shaastra: An Ancient Technological Treatise** eBook, please access the web link listed below and download the file or gain access to additional information which might be highly relevant to VAASTU SHAASTRA: AN ANCIENT TECHNOLOGICAL TREATISE book.

Finger Print Publishing, New Delhi, 2013. Soft cover. Book Condition: New. Vaastu Shaastra, the Vedic treatise on the principles of design and construction, is more intricate and elaborate than how the texts in circulation today understand it. These books erroneously attempt to provide readymade solutions in the form of drawings for designs of buildings, thereby fixing the architectural expression of the norms. What makes this book exclusive is its intensive discussions on aspects like typology, form, aesthetics, building elements, materials of construction, and the system of proportionate measurement. The study of Vaastu Shaastra in this book is presented not as an assembly of fragmentary pieces of knowledge, but as a complete program for architectural design and sustainable development. It treats Vaastu Shaastra not as a rigid set of rules and directives, but as a huge corpus of knowledge that forms the primary blueprint. Page Extent: 232.
