## PLAY IT LOUD (HARDBACK)

Random House USA Inc, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. Every guitar player will want to read this book twice. And even the casual music fan will find a thrilling narrative that weaves together cultural history, musical history, race, politics, business case studies, advertising, and technological discovery. --Daniel Levitin, Wall Street Journal An unprecedented history of the electric guitar, its explosive impact on music and culture, and the players and builders who brought it to life For generations the electric guitar has been an international symbol of freedom, danger, rebellion, and hedonism. Some of the most significant social movements of the twentieth century are indebted to the guitar: It was an essential element in the fight for racial equality in the entertainment industry; a mirror to the rise of the teenager as social force; a linchpin of punk s sound and ethos. And today the guitar has come full circle, with contemporary titans such as Jack White of The White Stripes, Annie Clark (aka St. Vincent), and Dan Auerbach of The Black Keys bringing some of the earliest electric guitar forms back to the limelight. Featuring interviews with Les Paul, Keith Richards, Carlos Santana, Eddie Van Halen,...
