

## Art Deco Collectibles: Fashionable Objets from the Jazz Age

---

By Rodney and Diana Capstick-Dale

2016. Hard Cover with dust jacket. Book Condition: New. 9.75 x 10.5 in. Collector Bookstore is a retailer of new books located in Leavenworth, Kansas. We specialize in price guides and reference books for the antiques and collectibles industry. From cigarette cases and watches to compacts and lighters, a range of portable, exquisitely crafted classics from the Art Deco era. The objects in this thematically structured book encompass Deco style at its most alluring, as well as the modernity, excitement, and social revolution of the Jazz Age. These items were the height of fashion then and are highly prized collectibles today. They remind us of an era of closer cooperation between designers and manufacturers, who aimed to produce goods that were not only useful but also beautiful and well made. This showcase of portable Art Deco classics from Britain, Europe (particularly France), and the United States will appeal not just to collectors but to anyone with an interest in Deco style and the history of fashion, design, and small, beautiful things.

### Reviews

*This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).*
