

## Smart Trust: Creating Prosperity, Energy, and Joy in a Low-Trust World

Filesize: 3.08 MB

### **Reviews**

*It is an amazing publication which i actually have at any time go through. It really is written in easy words and phrases rather than hard to understand. Its been developed in an extremely easy way which is merely following i finished reading through this pdf in which actually changed me, affect the way i think.*

*(Garry Lind)*

## SMART TRUST: CREATING PROSPERITY, ENERGY, AND JOY IN A LOW-TRUST WORLD

SIMON SCHUSTER, United States, 2012. CD-Audio. Book Condition: New. abridged edition. 142 x 128 mm. Language: English . Brand New. Trust continues to be the most pivotal element needed in successful relationships from the personal to the political to business. With compelling examples, convincing research, and penetrating insights, Covey and Link teach people how to develop optimal trust relationships by mastering Smart Trust. Stephen M. R. Covey's first book, *The Speed of Trust* a #1 Wall Street Journal and New York Times bestseller teaches the fundamentals of trust what it is, how it is established, and how it can be regained when lost. Now, there is a new, more urgent crisis: This is an era of extreme distrust of the government, our institutions, and in our personal and professional relationships. The economic crisis was a categorical loss of confidence in our interdependent global economic relationships and systems, and the world is in desperate need of a system that can restore that trust. Smart Trust addresses the seeming paradox that in spite of current historic low levels of trust there is also striking evidence of people, companies, and countries that are prospering from high trust. Smart Trust offers hundreds of examples around the globe individuals, teams, organizations, markets, and industries that have created cultures and relationships of high trust and are enjoying remarkable benefits prosperity, energy, and joy. Smart Trust offers a proven formula to teach what they are doing and how they are doing it. Listeners will learn how to integrate these exceptional examples into all aspects of life institutional, cultural, and personal. Smart Trust is filled with Covey's principles and strategies for creating environments that thrive because of trust. There has never been a more important time for this discussion.
