

Love. Period. (Paperback)

By Federica Rossini

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A woman s escape from a sad love story starts a quest for true love. But, while in America, a master will guide her in a journey to discover her true self and, at the end of it, universal love. Merlin holds the key to the truth, Federica wants it. But she must be ready to be patient, because love is not easy; courageous, because love can leave you breathless; strong, because love can face hate. And when dreams will seem fading away, love will show its real face. Though based on the teachings the author learned from her mentor dr Keith Ablow, who kindly allowed to be mentioned here, all characters appearing in this work are fictitious. Any resemblance to real persons, living or dead, is purely coincidental.
