Omg! - God Probably Does Exist!: One Man's Battle with a Crisis of Atheism

By James Judd

Createspace, United States, 2013. Paperback. Book Condition: New. A J Dickens (illustrator). 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.STOP! If you do not wish to have your beliefs challenged, then this book is not for you! Over the last few years, my belief in the existence of God has gone from 0.000000001 to 51 making God's existence now more likely than not. You will have heard all the tired old arguments in favour of God, the blind watchmaker etc. You will have heard all the arguments against God's existence, as laid out in books such as Richard Dawkins God Delusion, but here are some very different arguments, in favour of a very different God. This book sets out to prove the existence of a God, but looking for evidence of God in the religious texts is like looking for evidence of evolution in the Just So Stories! We will only ever make sense of our world though science. The various versions of God all seem highly improbable to me, but there are also many inconsistencies in the Darwin alternative. My version of God is sentient, monitoring and influencing many aspects...
