Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Questions about consciousness, eternity, the universe, death and life, invade every human s mind, at one time or another in the course of their short existence here on earth. Religious attempts to address these issues fall short and usually generate more questions than answers. Are we the result of some haphazard events in the universe and are we therefore useless products of chance or is there a greater purpose for the existence of everything we see and know? Why do we love, hate, work, play and attempt to find meaning in our lives if it is all for naught in the end? Using the most popular sacred text in history the author challenges us to take an honest look at our search for answers and, thereby, our search for God. Are we part of the blind leading or being led by the blind or are we honestly searching for Truth About God? Discover the clear and consistent message to humankind, from God, contained in the sacred text. This book does not attempt to undo our doctrine or create a new doctrine. It is not a manifesto of a new type of belief nor is it an indictment on past and present beliefs; this book is a doorway into a true honest reflection of our pursuit of God and Faith in God. Are we settling for what we have heard or are we willing, personally, to search and honestly ensure that we are on the path of our choosing and not one of the blind following or leading the blind. Believers will find their faith strengthened and challenged in the most positive way. Skeptics will find...
