Would you love to know the incredible and exciting history of baseball? Whether you want to (1) learn incredible and interesting facts about baseball history, (2) discover some of baseball s greatest events and stories, or (3) be thoroughly entertained as you learn how baseball has evolved over the years, this book will teach you everything you need to know. See what happens inside the game. This book is about what makes baseball the sport it is today. We ll take you inside a game to see what individual players are thinking. You will visit the early days of the sport to see some of the influences that have made the game what it is today. You will be inspired by the examples of real players who have pursued a dream, watched their dream crumble before their eyes, and then who persisted with dedication and hard work to attain success. If life is about winning and competition, then the game of baseball is rich soil in which to develop success. Discover the greatest innovations to the game. Because baseball relies equally upon chance and skill, you will discover some of the tactics players have used to try and improve their odds for success: changing the bat, scuffing the ball, bunting, stealing bases, and the use of any number of superstitions and good-luck charms, to name a few. The Rich Culture of Baseball Baseball is a sport rich in history, culture, and traditions. It doesn t matter if you have devoted your entire life to the game or whether you know little about baseball besides its name; this book is for you! You will find inside these pages both inspiration and a treasure...
