

## Monotheism and Tolerance: Recovering a Religion of Reason (Hardback)

By Robert Erlewine

Indiana University Press, United States, 2010. Hardback. Book Condition: New. 240 x 162 mm. Language: English . Brand New Book. Why are religious tolerance and pluralism so difficult to achieve? Why is the often violent fundamentalist backlash against them so potent? Robert Erlewine looks to a new religion of reason for answers to these questions. Drawing on Enlightenment writers Moses Mendelssohn, Immanuel Kant, and Hermann Cohen, who placed Christianity and Judaism in tension with tolerance and pluralism, Erlewine finds a way to break the impasse, soften hostilities, and establish equal relationships with the Other. Erlewine's recovery of a religion of reason stands in contrast both to secularist critics of religion who reject religion for the sake of reason and to contemporary religious conservatives who eschew reason for the sake of religion. Monotheism and Tolerance suggests a way to deal with the intractable problem of religiously motivated and justified violence.

### Reviews

*These sorts of book is the greatest book offered. This can be for all those who state that there had not been a really worth reading. I am just quickly could get a pleasure of reading a written ebook.*

-- **Verner Goyette DDS**

*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.*
