Robin Hemmerle, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Journey through the traditions, myths, facts and rituals concerning Placenta. the Forgotten Chakra. This book blends respect for culture and respect for nature, while standing firmly on scientific research that confirms what midwives have long known: the most gentle, time honored, least invasive birth protocols are best. For Birth Keepers and for expectant families, who, for each baby, have a once in a lifetime opportunity to go slowly and prevent birth trauma, it is a must read. Because peace begins with each child, it makes perfect sense to practice birth without violence.
