Filesize: 8.25 MB

### **Reviews**

*This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.*

LILLIPUT PRESS, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What do you do when the whole world. stops? When everything--transportation, grocery shopping, cell phones, the internet--comes to a sudden, crashing halt? Welcome to PULSE. Three teenage girls and their families must survive when America's worst nightmare actually occurs: The failure of the electric grid due to an electromagnetic pulse. To outsiders, Andrea Patterson has the American dream house and family. But when the unthinkable happens, the dream looks more like a nightmare--one from which she and her family may not wake up alive. Lexie Martin's homesteading family has never been cool like Andrea's, but they've been prepping for disaster for years. For them, the world didn't stop; it just slowed down. The one thing they didn't prepare for? A psycho school bus driver who wants what they've got. Sarah Weaver, friend of Andrea and Lexie, lives on the top floor of a ten-story apartment building. When things went black, she thought it could be romantic, like in the time of Jane Austen. She was wrong. Has the world collapsed forever? Who will survive when technology fails? Perhaps even more important, Who will get to eat? FROM THE AUTHOR: Told in journal-style prose by three 16 year old girls, PULSE takes readers into a chilling possible future for Americans while hitting right in the gut with honest, if at times heartbreaking, detail. Andrea, Lexie and Sarah bare heart and soul as they share what they encounter after the pulse. As even the U.S. government is concerned about the possibility of a catastrophic EMP, this book is not only timely but compelling. I wrote it as a warning and a wake-up...
