Never Another You is a story of young love, lost love, and love found. When Derrick, a young sailor, meets Julie, a beautiful small-town girl, they share their dreams of travel and adventure. Derrick and Julie spend an innocent evening together and share a starry sky, a harvest moon, and secret wishes. Life interferes with their dreams, however. Both lonely people caught up in their lives, one of secrecy mystery and danger serving his country, the other still living and working in that same small mid-western community where it all began struggling to raise her two daughters. Both dreaming of a life filled with love and passion. Two people never letting go of their dream as their lives come full circle. What brought them to this place and time a small nondescript sleepy fishing community on the northern coast of Maine; a strip of sandy beach. A mysterious old light house, a wish made years ago. Come join Derrick and Julie on their adventure of a lifetime, along the way meeting all the colorful charterers, the intrigue and the danger they encounter. A love story that will tug at your heart strings with a touch of suspense, drama and excitement.
