

Problems in Social Care (Paperback)

By R. H. Corney

Springer, Netherlands, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book has been written primarily for general practitioners; it describes the social problems which are presented by patients to their doctors for help and advice. The aim of the book is to help the doctor manage these problems, both through his own interventions and by involving or referring the patient on to other agencies. While the more common problems have been considered in detail, those rarely encountered have been omitted. The book also concentrates on help available from non-medical sources, as these will be less familiar to the general practitioner than other medical or nursing services. There is often a close association between social difficulties and health problems, both physical and psychiatric. It is, therefore, vital that an attempt is made to meet the social needs of patients in order to promote good physical and mental health. R. H. Corney 8 Series Foreword This series of books is designed to help general practitioners. So are other books. What is unusual in this instance is their collective authorship; they are written by specialists working at district general hospitals. The writers derive their...
