Asia in Washington: Exploring the Penumbra of Transnational Power (Paperback)

By Kent E. Calder

BROOKINGS INSTITUTION, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. For several centuries, international relations has been primarily the purview of nation-states. Key powers have included at various times Great Britain, France, Japan, China, Russia (then the U.S.S.R., and then Russia again), and the nation most influential in international relations for the past several decades has been the United States. But in a world growing smaller, with a globalizing system increasing in complexity by the day, the nation-state paradigm is not as dominant as it once was. In *Asia in Washington*, longtime Asia analyst Kent Calder examines the concept of global city in the context of international affairs. The term typically has been used in an economic context, referring to centers of international finance and commerce such as New York, Tokyo, and London. But Calder extends the concept to political centers as well - particularly in this case, Washington, D.C. Improved communications, enhanced transportation, greater economic integration and activity have created a new economic village, and global political cities are arising within the new structure - distinguished not by their CEOs or stock markets but by their influence over policy decisions, and their amassing of strategic intelligence on...
