Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Modern Homes Our Plan Department includes architects, engineers and skilled draftsmen with years of experience in house planning and practical construction, who include all that is possible to make the drawings accurate and complete in regard to design, strength and utility, comfort and convenience. The Architects who prepared these designs had constantly before them the three essential elements that combine to make good architecture. These are first, good proportion and pleasing appearance; second, well arranged commodious floor plans; and third, sound methods of permanent construction. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
