### **Reviews**

*This composed publication is fantastic. This is certainly for all those who stutte that there was not a well worth reading through. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for regarding when you ask me).  
(Prof. Mark Ratke Jr.)*

## THE BODY ELECTRIC

DOWNLOAD

Condition: New. Publisher/Verlag: HarperCollins US | Electromagnetism And The Foundation Of Life | The Body Electric tells the fascinating story of our bioelectric selves. Robert O. Becker, a pioneer in the field of regeneration and its relationship to electrical currents in living things, challenges the established mechanistic understanding of the body. He found clues to the healing process in the long-discarded theory that electricity is vital to life. But as exciting as Becker's discoveries are, pointing to the day when human limbs, spinal cords, and organs may be regenerated after they have been damaged, equally fascinating is the story of Becker's struggle to do such original work. The Body Electric explores new pathways in our understanding of evolution, acupuncture, psychic phenomena, and healing. | Format: Paperback | Language/Sprache: english | 422 gr | 235x164x25 mm | 368 pp.
