

Professor Bloomer s No-Nonsense Basic Reading Program: Student s Learning Book (Paperback)

By Dr Richard H Bloomer

Bloomer s Books LLC., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is the Student s Learning Book of the most perfect reading program ever written. It carefully blends the phonetic methods of the ancient Greeks and Phoenicians with most recent findings of modern neuroscience. It teaches children how to teach themselves to read. Research on this program shows us: 1. It teaches 100 of the beginning children to read. 2. It teaches Dyslexics to read. 3. There are no Learning Disabilities, b/d confusions, or reversals. 5. In Federally sponsored research it taught adolescent delinquents and Adult learners to read better than programs from the three major publishers. 4. It reduces referrals to Special Education by two thirds. 5. It teaches low SES and ethnic minorities to read at, or above grade level. 6. Children taught by Professor Bloomer s reading program excel in all school subjects, even science, and math. 7. It readily teaches bilingual children to read and speak English. 8. It easily teaches foreign language speakers to read and speak English. 9. It is eight to ten times more efficient than the common public school reading programs. You can...

Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.
