

Journeys for Change and Enlightenment

By Savannah Henninger Ph D

Balboa Press, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Savannah Henninger is not the author's real name, but the book is a real account of her spiritual opening and eventual connection to guides and beings of other dimensions through channeling. It became clear to Dr. Henninger that she was experiencing a spiritual unfolding that was the true purpose of her current life on Earth. Beginning with an out-of-body experience and moving to a near-death experience and the spontaneous recall of her past lives, Dr. Henninger now understands her true purpose has only just begun. The sources she has contacted outside our current dimension explain that the Earth is transitioning to a higher dimension; as this shift occurs, everyone will experience greater spiritual connection to the source of our creator, whom some call God. As we go through this transition, entities from other dimensions--whom some call extraterrestrials--will assist us to make this transition. There are some entities who fear humans are not ready to join the rest of the universe as conscious partners in cocreation and have thwarted our efforts to advance. Her sources reveal that,...

Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
