Brand New Book ***** Print on Demand *****.Sometimes the hardest dragon to slay is the one inside you. When Theo-a misfit with a passion for music-is rejected from a top music school, he feels like he has nothing left to live for. His awful day gets even worse when he falls into Everby, a Post-Catastrophe kingdom where hope and happiness are banished in a cynical struggle for wealth and power. After a short imprisonment, Theo is appointed court musician-a seemingly safe position in this chaotic world. Very soon, though, he unwillingly gets caught up in the court intrigues surrounding the upcoming marriage of Everby s Prince Rodepho to Princess Dora, an idealistic young woman desperate to escape from her unhappy fate. The princess thinks she has found a kindred soul in Theo, but he knows he s no storybook hero. Much as he admires the princess for her idealism and courage, he is too broken by his failures to help her-until tragedy forces him to realize that in Everby there are only two options: die or dare to dream again.
