*Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

His poetry of verse and experimental prose lucidly articulates the angst and dilemmas of living and narrating in the ambiguous epoch of Postmodernity. Paul Cheselka had once commented on the prolific poet Borges: In Borges' poetic cosmivision the most important symbol is time; it is a representation of man and his human condition. Like time, men are in a constant state of flux; they are both forever different and always essentially the same. This is immensely obvious in Harrison's anthology of poetry which mesmerizes the reader through his encapsulating imagery, juxtapositioning of unlikely entities, and experimentation and representation of man in his time. Specifically, Harrison focusses on infinitesimal moments and the ramifications which unfold in a ripple- like effect to convey an ontological appreciation of poetry and poetics which are a product of their respective culture, an aesthetic and evocative pastiche of the time they are written. We notice a disparaging discomfort within these poems, perhaps a semblance of Postmodern disharmony and anxiety infused with the overwhelming nuances of hybridity, which seems to be attributed to the element of time and its influences on the contemporaneous individual, and poetic artist. Harrison, having no choice but to...
