Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

I don t believe that the jumpin kangaroo swum all the way from Noah s ark to the island of Australia, or that every sort of a man descended from Shem, Ham, and Japhet; but I do believe that nature furnishes her own restorers, and that all these weeds that follow the crops come up without seed just as natural as original sin follows the human family. The first year after the war a new kind of clover came up all over the land and covered it like a new carpet, and nobody ever found out where it come from or how it got here. Some said the Yankee cavalry brought it in their oats, and some said it was blown here in a storm, and an old Irishman told me it come from Erin by instinct, for it never grew anywhere but in conquered countries. One thing is certain, it come all of a sudden, and come everywhere at once, and it s a conundrum the agricultural bureau has let alone. It s a great blessing to this impoverished land, and its origin is no accident. I think the legislature ought to give the bureau another term to investigate these mysteries and determine whether these things spontane or do not spontane--and where the army worm comes from, and when they are...
