One World Press, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.My approach to maintaining vibrant health in travel evolves from a lifetime of experience as an herbalist and healer, together with the important lessons learned in my own extensive trips throughout the U.S., Europe, Mexico, Canada and India, both alone and with groups of children. In the last year alone, for instance, my work has taken me to Germany once and France twice. I've flown to Vancouver, BC from my home in Arizona, three times. I've driven to Los Angeles once, and just getting from my remote desert home to the airport is three hours each way, not to mention the hour-long one-way trip to get to town. My two previous books, *10 Essential Herbs* (One World Press, Chino Valley, Arizona, 2010) and *10 Essential Foods* (1999) detail my system of dynamic nutrition and healthcare. I highly recommend these books to you before you set out on your next great travel adventure, as they will enhance everything in this book. Ever since I was a child I have been insatiably curious about my body's processes. I like to experiment, always trying to get a little more energy here, a little less stress there, more digestive power and quicker recovery. As a result I've discovered healthy energy boosters, fixer-uppers to soothe the ill effects of dietary and emotional habits. I've mixed up simple tonics and elixirs for all sorts of needs, for myself and others, and consider myself a veteran in the department of Superfoods -those foods that are especially concentrated in a small package from Nature; power-packed with nutrition, including necessary vitamins, minerals, amino acids, and enzymes, along with rejuvenating phytochemicals...
