Democracy and the American Civil War: Race and African Americans in the Nineteenth Century (Paperback)

By -

Kent State University Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. In 1865, after four tumultuous years of fighting, Americans welcomed the opportunity to return to a life of normalcy. President Abraham Lincoln issued his emancipation decree in January 1863 and had set the stage for what he hoped would be a smooth transition from war to peace with the announcement of his reconstruction program in December 1863 and with his call of malice toward none and charity for all in his Second Inaugural Address in March 1865. Lincoln's dream of completing the process of reconstructing the nation was cut short just one month later by the hand of an assassin. The essays in this volume-by Adams and Hudson along with Stanley Harrold, John David Smith, Mitchell Snay, and Fay Yarbrough-represent an exemplary collection on the importance of democracy and race during and after America's most devastating conflict. Ranging from a consideration of antebellum abolitionists to the racial policies adopted by Native American tribes that had allied with the Confederacy to the ambiguous legacies of Reconstruction, these chapters are thoroughly researched, persuasively argued, and beautifully crafted. Democracy and the American Civil War is...

Reviews

An extremely great ebook with lucid and perfect explanations. It is full of knowledge and wisdom. It's been printed in an exceedingly straightforward way in fact it is merely right after I finished reading through this publication by which really transformed me, alter the way I believe.

-- *Spencer Fritsch*

The best pdf I possibly go through. It was written quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
